

Thursday, 3 December, 2015
Time: 16.45 - 18.15. Venue: Observer Room 04

**Fair Low/Zero Carbon & 100% RE
Strategies, South & North Countries,
Villages, incl. Women Initiatives**

Showcase low and zero emission strategies and scenarios with 100% renewables, women's initiatives and eco-village development solutions for poverty reduction in Europe, Africa and South Asia, as ways for operationalising the Paris Agreement and the pathways leading from it.

Programme

16.45 **Welcome by organizers** by Usha Nair (AIWC, India), and Paul Allen (CAT, UK)

16.49 **Setting the Scene of Zero Carbon Transitions in North and South** by prof. Kevin Anderson

16.55 **Presenting Zero-Carbon and 100% Renewable Energy Scenarios**

- Transition of the UK to a Zero Carbon society in 20 year by Paul Allen, **Center for Alternative Technology - CAT, UK.** (6 min)
- How France can move to 100% renewable energy, with energy efficiency and sufficiency, the negaWatt scenarios by Yves Marignac, **negaWatt, France** (6 min)
- 100% Renewable Energy by 2030-2040 for EU and 10 EU countries by Gunnar Boye Olesen, **INFORSE-Europe/SustainableEnergy, Denmark** (6 min)

17.15 **Getting Ready for Zero.** How zero carbon modelling & toolkits can support the necessary transitions to zero carbon societies based on renewable energy; Farhana Yamin, **Track0 (UK)** and Paul Allen, **CAT (UK)**

17.20 Discussion

17.30 **Eco-village Developments**

- Key Parts of Climate and Development Solutions by Kavita Shriya Myles, **INSEDA, India/INFORSE South Asia** (5 min)
- Integrating into local developments by Namiz M. Musafar, **IDEA, Sri Lanka** (5 min)
- Extending successful local energy solutions by M. Mahmudul Hasan, **Grameen Shakti, Bangladesh** (5 min)
- Using to reconstruction of villages after the earthquake by Ganesh Ram Shresta, **Center for Rural Technology (CRT), Nepal** (5 min)

17.50 **Low-Carbon Development Strategies & Focus on Women**

- **In West Africa, energy for productive use with local resources** by Djiminique Nanaste, **ENDA Senegal/INFORSE-West Africa** (10 min)
- **Focus on Women and Poverty Reduction** by Usha Nair, **All India Women's Conference (AIWC), India** (10 min)

18.10 **Short dialogue on promotion of pro-poor low-carbon and decarbonisation strategies with gender focus.**

18.15 End

Organized by:

INFORSE, AIWC (India),
negaWatt (France),
Nordic Folkecenter for
Renewable Energy (Denmark)
